

D3020V2 SOFTWARE RELEASE NOTES

2.1

D3020V2 software update 2.1 is a maintenance release that includes the following change:

- Add BT ON/OFF feature

Bluetooth can be turned ON or OFF by the following methods.

At operating mode and while at BT Source

- Bluetooth ON (discoverable): Press and hold [BASS] button of AMP3 remote control until BT display icon stay illuminated.
- Bluetooth OFF (invisible): Press and hold [BASS] button of AMP3 remote control until BT display icon blinks (BT display icon will blink every 2 seconds).

At operating mode and while at other Sources

- Bluetooth ON (discoverable): Press and hold [BASS] button of AMP3 remote control until BT display icon blinks once.
- Bluetooth OFF (invisible): Press and hold [BASS] button of AMP3 remote control until BT display icon blinks twice.

NOTE

With Bluetooth turned OFF, BT display icon will blink every 2 seconds whenever BT is the selected Source.
